Mission update: Brian & Jodi Fish

Since summer has begun, Brian has helped with a college conference and a high school sports camp. Besides that, he has been meeting and connecting with the Mids who are still in the yard and developing relationships with some of the younger athletes. There is a new coach with the Sprint football team he is trying to foster a good relationship with him as well as several other coaches. The family is currently traveling to make contact with their support base. Prayers are appreciated as they continue to meet with supporters to sustain the ministry.
