Lanita & Luther Eatmann

The Bride of Hope Church continues to open the doors of its cold weather shelter through the financial and prayer support of their extended family. The Kansas City, Kansas, Fire Department Station #5 recently volunteered to serve meals at the shelter. Continue in prayer and support for this ministry.

We also want to continue in prayer for Lanita and her health. After collapsing in church and much testing, it was determined that it was caused by her Afib and not a seizure.

We want to continue to lift up Pastor Luther, Lanita, The Bridge of Hope staff and the ministry in that community.
